Leadership... Integrity... Excellence...

While you attend to patient care and wellness, **BeachFleischman** is on the case. Our services include auditing, accounting, tax, and consulting for hospitals, medical practices, health clinics, and other specialized health care facilities.

We also evaluate contracts with payers such as health maintenance organizations to ensure fair reimbursement and prompt settlement of disputes.

BeachFleischman is Southern Arizona's largest accounting firm. Founded in 1990, the company specializes in management and profit enhancement services through strategic planning, auditing, tax preparation and planning, estate planning and administration, retirement planning and administration, as well as human resources and organizational consulting.

We also provide consulting services in these areas:

- Implementation of internal controls
- Devising policies and procedures manuals
- Cost accounting for specific procedures
- Practice receivables and collection policy reviews
- Billing procedures and/or billing service reviews
- Fraud and embezzlement reviews
- Tax and financial planning
- Physician compensation arrangements
- Purchase or sale of medical practices
- Assistance with setting up new medical practices
- Complete practice assessments and reviews
- Retirement planning
- Practice management tools
- Accounting assistance with general ledger bookkeeping

To keep current with topics and trends, we are actively involved in professional organizations such as the Medical Group Management Association's Southern Arizona Chapter and the Pima County Medical Society.

Our experienced professionals provide the highest quality service and unmatched personal attention. At **BeachFleischman**, we are committed to building relationships along with your business. Let us show you how.
