*Leadership... Integrity... Excellence...*

Planning, process, and technology, along with production, sales, and financing are critical to manufacturing firms' growth and profitability today.

Companies must consider ways to access both existing and new resources for working capital, facilities, and equipment. They must plan for market expansion, and navigate emerging technologies, e-commerce, and a global economy.

**Beach**Fleischman is a natural resource for a whole host of client issues - from inventory control, productivity enhancement, and risk management to business succession planning, mergers and acquisitions assistance, and exit strategy planning.

**Beach**Fleischman is Southern Arizona's largest accounting firm. Founded in 1990, the company specializes in management and profit enhancement services through strategic planning, auditing, tax preparation and planning, estate planning and administration, retirement planning and administration, as well as human resources and organizational consulting.

We also offer these services which are specifically tailored to the needs of manufacturing companies:
